Sir:

Assignment of the full and exclusive right, title, and interest in and to the present application (i.e., U.S. Application Serial No. 10/692,996) by the inventors to Purdue Research Foundation was recorded in the United States Patent and Trademark Office on (1) July 11, 2005 at reel 016243 beginning at frame 0027.

Assignment of the full and exclusive right, title, and interest in and to U.S. Application Serial No. 10/616,564 (which issued as U.S. Patent No. 7,288,768) by the inventors to Purdue Research Foundation was recorded in the United States Patent and Trademark Office on (1) Nov. 24, 2003 at reel 014720, beginning at frame 0096. Accordingly, the entire right, title, and

The undersigned agent is an agent of record for Purdue Research Foundation in the present application, and he has reviewed the documents evidencing title as represented above and certifies to the best of his knowledge and belief that title is as represented.

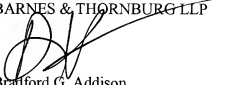

Purdue Research Foundation hereby disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term, as defined in 35 U.S.C. § 154 to 156, as is presently shortened by any terminal disclaimer, of U.S. Patent No. 7,288,768.

Purdue Research Foundation hereby acknowledges that any patent so granted on the above-identified application shall be enforceable only for and during such period that legal title to said patent shall be the same as legal title to U.S. Patent No. 7,288,768.

The assignee does not disclaim the terminal part of any patent granted on the present application that would extend past the expiration date of the prior patent, in the event that the prior patent expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The amount of \$70.00 to cover the fee for this Terminal Disclaimer is to be charged to the account of Barnes & Thornburg, Deposit Account No. 10-0435 with reference to file 3220-73780. Respectfully submitted,
